

CHILDREN POLICY FOR DRUG TESTING APPOINTMENTS

To maintain a secure, professional, and distraction-free testing environment:

Young children must be either:

- Supervised by another adult **not being tested**
 - **OR**
 - Restrained in a **stroller or carrier**
-

Children may NOT:

- Be disruptive or distract staff or other donors
 - Be left unattended
 - Be held during the collection process
 - **Use the collection restrooms under any circumstance**
-

If these guidelines are not followed:

Donors may be **asked to leave and forfeit their ability to test.**

Thank you for your cooperation,
