By signing this request, I agree to construct or have constructed this driveway as described below				
APPLICANT'S NAME				
APPLICANT'S SIGNATURE				
DATE				

** ABOVE INFORMATION TO BE PROVIDED BY OWNER PRIOR TO ISSUANCE**

Approved By: _____

Title: _____

Date: _____

SPECIAL REQUIREMENTS:

1. Extend pipe as necessary to obtain 3:1 or flatter slope.
2. Size, type, and grade of pipe to be specified by county engineer.
3. Existing surface flow to remain. Water cannot be diverted to county right of way.
4. No headwall to be constructed on pipe ends.
5. No brick or other hazardous type mailboxes allowed on ROW. (See DOT mailbox regulations). All Driveways should have turn-around pad off of ROW to prevent backing into the highway.
6. All disturbed ROW to be regressed to county specifications.
7. This drive to serve a single-family dwelling only and may not be converted to any other use without county approval.

TYPICAL PLAN & PROFILE FOR DRIVE
